WHAT IS THE GREAT APPLE CRUNCH?

The Great Apple Crunch encourages healthy eating and supports farm to school and other local food purchasing initiatives throughout the region. It's also a fun way to connect food and agriculture to classroom curricula – from science to art & more!

Join the Great Lakes states of Minnesota, Wisconsin, Illinois, Indiana, Michigan and Ohio in celebrating [National Farm to School Month](#) ↗ by crunching into locally and regionally grown apples. We encourage you to plan an Apple Crunch event anytime during October's National Farm to School Month.

Participants of all ages are invited to crunch!

HOW TO PURCHASE & SERVE LOCAL APPLES

There are a variety of ways to purchase apples to celebrate the Crunch throughout the day. You can always purchase and serve Minnesota-grown apples as part of your school meal or snack programs. Here are some other ways to purchase your apples for the Crunch.

→ USE DoD FRESH

Purchase local apples for reimbursable meals through the [USDA DoD Fresh Fruit and Vegetable Program](#) ↗. Look for items tagged 'local' in FFAVORS.

→ BUY DIRECT FROM LOCAL ORCHARDS

Connect directly with apple growers! Ask about purchasing small apples, perfectly sized for younger students. Use the "Find Your Local Apples" section for orchards near you.

→ ACCESS FFVP SNACK PROGRAM FUNDS

Fresh Fruit and Vegetable Program (FFVP) participants can use grant funds to purchase Crunch day snacks! Apples purchased with FFVP funds must be offered during regular FFVP snack times. The official "Crunch" is at noon, but you can Crunch anytime in October.

→ ASK YOUR CURRENT VENDORS

Ask your school's existing broadline or produce distributor to source farm-identified apples grown in Minnesota.

→ MAKE IT A MICRO-PURCHASE!

The [micro-purchase procurement method](#) ↗ is perfect for Crunch purchases below \$10,000.

→ BUY APPLES FROM A FOOD HUB OR PRODUCE AGGREGATOR

Check out the [USDA Local Food Hub Directory](#) ↗.

→ SERVE IT IN THE LUNCH LINE OR SALAD BAR

Include apples in the school lunch line or salad bar on October 8th. School food service staff can always offer a local apple for the Crunch as part of the reimbursable meal.

→ SOLICIT DONATIONS

Encourage community partners, PTA, & others to donate funds to purchase your Crunch apples. Reach out to a grocery store that sources local apples. They may be willing to provide you with local apples at a discount.

→ OFFER CLASSROOM TASTE TESTS & OTHER CLEVER CRUNCHES

You can purchase local apples to Crunch outside a reimbursable meal! Just use school food service funds (Fund 50 in public schools), and promote the apples as "purchased by school food service like this: 'Apples for this Crunch provided by BLANK food service department'.
